FREQUENTLY ASKED QUESTION

Q: How can I get a sample?

01

- A:** Samples without customized logo are free, if you can accept the freight collected.
- B:** if you want make samples with customized logo, then you will charge print version cost. About 200-300RMB freight will be on your account.

Q: Could you do design for us?

02

- A:** Yes, we can do artwork including printing, logo etc, if you provide us the content and tell us where to put.

Q: How can we place order?

03

- A:** After we made agreement on the product's surface finish and price, we will make proforma invoice for your confirmation, when we got your advance payment(deposit) we will make PPS(pre-production sample) samples for you final confirmation.
- B:** After you approval, we will start mass production, it takes 25-35 days to produce the goods, when goods ready, we will prepare for our QC report. if there is noproblem, please arrange balance payment to us, We will deliver the goods to the destination port according to your requirements.
- C:** If you have your own ship forwarder, we will use your ship forwarder to delivery goods, if you don't have shipforwarder, then when the goods arrived at destination port, you must find a ship forwarder help you clear the custom.

Q: How about the shipping?

04

- A:** For small orders, we will send the goods by international express like DHL/TNT/UPS, usually it takes 3 work days to arrived, if big quantity we will ship by ocean transportation, it takes one month to arrive, if urgent, you can select shipping by air, but freight charge will be more expensive.

Q: What's your payment term?

05

- A:** 30% deposits in advance by T/T, balance 70% paidwhen goods ready.

Q: Do you have any MOQ limit?

06

- A:** Our MOQ is 12,000 PCS.
